

ATTENTION VENDORS!

The Pet Project Foundation will hold the **16th Annual Wag-A-Thon™** on Saturday, April 25, 2009, in scenic Dana Point Harbor.

The Wag-A-Thon, acclaimed as the “Walk with the Animals,” is a fun, family affair that attracts participants from all of Southern California. The pet walk begins a day of events, including pet contests, celebrities, the vendor bazaar, and music.

Last year more than 2500 people and 1000 dogs attended the Wag-A-Thon, making it the **Top Dog Event of Orange County.**

We offer you a chance to reach this pet-loving target audience with two choices:

- ~~1. The Bowser Bazaar has come to be known as an integral part of the Wag-A-Thon. Here you will have a pet-loving target audience to sell or advertise your products or services. Vendor space is limited to 30 vendors, each occupying a 10 x 10 booth at the Bowser Bazaar. SORRY, BUT THE BAZAAR IS FULL. WE ARE NOT TAKING ANY MORE NAMES FOR THE CANCELLATION LIST.~~
2. Alternatively you may choose to have your advertisement and/or product placed in the 1,000 goodie bags handed out to the participants.

Each of these benefits costs \$100.

As an all-volunteer, nonprofit organization, we rely on sponsors to offset the cost of producing a fund-raising event of this magnitude. Proceeds from this event go directly to the care and welfare of the animals at the pro humane San Clemente-Dana Point Animal Shelter, the spay/neuter program, kennel attendants' salaries, dog trainer's salary, medical needs of all the animals at the shelter, humane education, and much more. Without the help of all the volunteers and the support of the community, all this would not be possible.

The San Clemente-Dana Point Animal Shelter is proud of its 95% adoption/claim rate. It has been recognized by the ASPCA as an outstanding facility and recently was named “Best Place To Adopt A Pet” by Orange Coast Magazine. The Wag-A-Thon is one of PPF's biggest fund-raisers and is crucial to its existence and ability to help the animals.

In order to guarantee your inclusion as a Wag-A-Thon participant, please respond by March 10th.

PPF looks forward to hearing from you and seeing you at the 2009 Wag-A-Thon!

Sincerely,

Brenda Whitney
