

Love animals? Can you lend a temporary hand?

San Clemente - Dana Point Animal Shelter

Help us for as little as a week, or as long as a few months.

No cost to you. Food, supplies, medicine, and instructions will be provided.

You just supply the tender loving care!

We need help with different needs at various times: mommies with litters of kittens or puppies, babies without their mom who need hand-raising, dogs or cats recovering from illness, surgery or an injury, pregnant dogs or cats who would do better having their babies in a calm, quiet home instead of a noisy shelter environment.

Let us know what kind of pets-in-need you'd like to help with.
